

# BCLC NEWS School Age Edition

## April Vacation

Our School Age Program will be open for full day programming April 16—19, 2024 from 7:30am—6:00pm. During this week, children will spend a lot of time outdoors playing in nature and utilizing our natural playground, so please send your child with appropriate outdoor playwear each day.

## Marine Endangered Species Art Contest

BCLC is participating again in the Marine Endangered Species Art Contest put on by NOAA Fisheries. Endangered and threatened species need our help. Students' artwork will help showcase their knowledge and commitment to protecting these animals. Students can create both sculptures and 2-D pieces of these endangered species in our area. Last year, BCLC had three students win honorable mentions in the contest, and we are excited to participate again this year!

Dear BCLC Families,

Throughout the month of April, BCLC will be tending to our garden beds and participating in more outdoor activities. As the saying goes, April showers bring May flowers! Our playground does get muddy during this season, so please be sure to send your child with play shoes and an extra pair of clothes. Also, April vacation is almost here! Please let us know if your child will not be attending. If your child is not going to attend BCLC for any reason either during vacation week or regular afterschool days, please call the front desk to notify us prior to 9am.

Thank you,

Aimee Provencher

School Age Program Director
