LyCha Miville	<i>Social Worker X204</i>
Kyle Silva	<i>School Age Site Coordinator X219</i>
Alexandria Dunn	<i>Early Education Site Coordinator X218</i>

The BCLC Educators and Staff are dedicated to the safety and wellbeing of all the children in our program. Please take a moment to get to know who we are and what we do here at BCLC. We would be happy to meet with you at any time.

Dear Parents and Guardians,

With the cold weather approaching and winter around the corner, we are asking that all parents send in a change of clothes, winter boots, gloves and hats, and snowpants or a snowsuit for their child to keep at BCLC. We play outdoors daily in all weather, and we want your child to be able to participate in the outdoor fun!

We also ask that parents monitor their child for any signs of illness, and to keep them home if they display any symptoms. This will help keep your children and everyone at BCLC safe and healthy.

As a reminder, if your child is not going to attend BCLC for any reason, please call the front desk at 978-927-1269 to report your child's absence prior to 10am. This will help avoid confusion at the schools during dismissal time.

Sincerely,
Aimee Provencher
School Age Program Director

BCLC NEWS School Age Edition

Life Sciences Club with Gordon College

The Gordon College tutors are leading our Life Sciences Club every Tuesday with our two oldest School Age groups. Through this interactive club, children will learn about the difference between healthy and unhealthy foods and beverages, mental health, and how external factors effect our mental health, and the importance of exercise and physical activities. The children will also learn about the value of maintaining good hygiene practices surrounding handwashing, bathing, dental health, and more.

Cooking Club with Young School Age

The children in Group 3 are enjoying Cooking Club with Miss Carolyn. They are experiencing new foods and following fun recipes, such as fruit skewers, yogurt parfaits, and more. If your child has a favorite recipe from home that they would like to share with the group for an upcoming cooking club activity, feel free to send it in!

Family Fun at Endicott College Hockey Game

Join us on November 1st at 7pm for a Family Fun Night at Endicott College where we will cheer for our local Endicott hockey team. Please use the QR code to purchase tickets through Eventbrite. This is a FREE event if you use the promo code BCLC at checkout.
