The BCLC Educators and Staff are dedicated to the safety and wellbeing of all the children in our program. Please take a moment to get to know who we are and what we do here at BCLC. We would be happy to meet with you at any time.

Dear Parents and Guardians,

With the colder weather upon us, please make sure your child is fully equipped to play outside. Your child should have a winter jacket, snow pants, boots, and gloves readily available every day at BCLC. We have a beautiful natural outdoor playground that is perfect for making snowmen and playing in the snow, and your child will be expected to join outdoor play daily. If you are in need of help securing these items, please reach out to an administrator for assistance.

Thank you,

Aimee Provencher
School Age Program Director

Photography & S.T.E.A.M. Clubs Collab

January 2025

Volume 9 Issue 1

Our STEAM and Photography clubs collaborated on a project this month where the goal was to create food inspired models using non food materials. Afterwards the photography club conducted a photo shoot of the pseudo-culinary creations.

Kestrel Educational Adventures

Kestrel Educational Adventures is back at BCLC! During the remainder of the school year, Kestrel will be conducting sessions with one group each week on Mondays from 3:30–4:30. In these sessions, the children will be continuing their education on shelter building and outdoor survival skills. Later on in the year, the children will set up trail cameras in the wetlands behind BCLC to capture images of the different wildlife that comes and goes through BCLC during the night. What animals do you think we'll see?

Cooking Club

January Birthdays!

- Jalelah 1/1
- Julian 1/16
- Eliana 1/16
- Micah 1/27
- Maxwell 1/30

The future chefs in Cooking Club have been hard at work following recipes and creating holiday treats to share with their friends and families.
