The BCLC Educators and Staff are dedicated to the safety and wellbeing of all the children in our program. Please take a moment to get to know who we are and what we do here at BCLC. We would be happy to meet with you at any time.

Dear Parents and Guardians,

Our Gordon College tutors are back for another semester! They will be continuing the Life Sciences Club and helping BCLC students with homework assistance, as well as forming meaningful and positive relationships with the BCLC community. If your child is in need of homework assistance, please let your child's group leader know so we can pair your child up with a Gordon College tutor.

Also, please call the front desk if your child will not be attending BCLC prior to 10am. This will avoid any confusion during dismissal time.

Thank you,

Aimee Provencher

School Age Program Director

BCLC NEWS School Age Edition

Welcome Our New Staff Member

We are excited to welcome our newest School Age staff member, Emily Regan! Miss Emily is a Beverly native and an Essex Tech graduate. She has previously worked in customer service, but found her love of working with children while babysitting. Miss Emily joined our School Age program in early January of this year, and has been working with Group 2 as an assistant group leader. Miss Emily hopes to gain experience and knowledge in the child care field to become a group leader.

Salem Sound Coastwatch and Project Adventure

The School Age groups are working with more outside organizations every week in addition to Kestrel Educational Adventures. Salem Sound Coastwatch is teaching the groups about our local water supply, how to help keep it clean, and what sea creatures are in our local bodies of water. Project Adventure is helping the children gain important life skills such as patience, team building, self regulation, and problem solving through play. We have been working with Kestrel, Salem Sound Coastwatch, and Project Adventure for a number of years, and we are grateful for all that they do.

Winter Wonderland Fun

With the cold weather upon us, please make sure your child is fully equipped to play outside. Your child should have a winter jacket, snow pants, boots, hat and gloves readily available every day at BCLC. We have a beautiful natural outdoor playground that is perfect for making snowmen and playing in the snow, and your child will be expected to join outdoor play daily. If you are in need of help securing these items, please reach out to an administrator for assistance.
