BCLC NEWS School Age Edition

Touch Tank Fun with Salem Sound Coastwatch

March 2025

Volume 9 Issue 3

Our Salem Sound Coastwatch sessions for Group 3 have come to an end, and Miss Carly surprised the group with touch tanks on their last day together! Young School Age held crabs, clams, and other sea creatures while learning about their anatomy and how they survive. Group 2 is excited to start their sessions with Salem Sound Coastwatch this month!

Dear Parents and Guardians,

The end of the school year will be here before we know it, and we are excited to have another fun summer at BCLC! With summer planning underway, we are asking all School Age families to let us know if there will be any changes in your child's schedule or enrollment. Please read the letter sent out through Brightwheel regarding summer programming and communicate any changes to the School Age admin team. Our School Age program is a year-round program, and we assume that your child is attending throughout the summer unless we are notified otherwise. As a reminder, we do require a 2 week withdrawal notice.

Also, please call the front desk if your child will not be attending BCLC prior to 10am. This will avoid any confusion during dismissal time.

Thank you,
Aimee Provencher
School Age Program Director

Trail Cameras with Kestrel

The School Age groups are learning first hand which animals are living in our backyard at BCLC through trail cameras. The children, with the help of Kestrel Educational Adventures, have set up trail cameras in the wetlands and wooded areas behind BCLC to capture images of the many different animals that live in our area. Which animals do you think we will see?

March Birthdays!
