- ⇒ Salem Sound Coast Watch  
3/5, 3/19, 3/26
- ⇒ Project Adventure  
3/6

A message from Sarah, Director of Early Education Program  
March is here, and with it comes the excitement of spring! As the days grow longer and the weather begins to warm, we are looking forward to spending more time outdoors, exploring our nature classroom and taking walks through the wetlands to observe the changes of the season. Spring offers so many wonderful learning opportunities! Please remember to send your child with appropriate clothing for layering with the unpredictable March weather. Waterproof boots and jackets will help keep our little explorers safe and dry! As always, thank you for being part of our Beverly Children's Learning Center community!

Thank you,  
Miss Sarah

**Early Education - March 2025 Newsletter**

**Featured staff of the month**

Please help us congratulate our staff member of the month- Edylay! Edylay has been with us since September. As a dedicated teacher in the Preschool Two classroom, Edylay brings warmth, kindness, and a genuine passion for helping children learn and grow. Her welcoming nature creates an environment where every child feels valued and supported. She goes above and beyond to encourage curiosity and engagement in the classroom, always finding creative ways to make learning fun. We are so grateful to have Edylay as part of our team. Thank you, Edylay!

**March Birthdays**

- Luca 3/10**
- Noah 3/10**
- Saniyah 3/11**
- Joshua 3/15**
- Daisy 3/23**
- Diellza 3/25**
- Kurt 3/30**

**School Announcements**

- We are a nature-based learning center and will utilize our natural playground each day in all types of weather. Please send your child with an extra change of warm clothes (**please label**), rainboots, rain jackets, snowsuits/jackets and snow boots for the winter months, and closed-toed shoes to keep at school. Also, please watch for any symptoms during the cold & flu season.
- Please call the front desk (978) 927-1269 prior to 9am (Early Education) 10am (School Age) if your child will not be attending BCLC. This avoids confusion at pickup and gives us an accurate number of children for meal times.

### **Infant - Celebrating Spring**

This month in the Infant classroom we are excited to be celebrating the start of spring! Our infants love sensory experiences, and we will be doing lots of hands on activities like ice painting, tape pulling and even tummy time painting for our youngest friends! We will be taking stroller walks when it starts to get a little bit warmer and pointing out birds, clouds and trees. We will read *I See Spring* by Charles Ghinga as well as *And Then It's Spring* by Julie Fogliano. Thank you, Miss Kiki

**Infant/Toddler - New Life** This month we will focus on blooming plants, flowers, and the birth of new animals. We will listen to the song "Hop Little Bunnies" by Miss Rachel. Using tissue paper, we will be create flowers as well as making sun catchers and exploring fingerprint. In our sensory bin, we will create burrows, as well as doing water play exploring water flowers. Outside, we will be pointing our and talking about changes in the air and environment. Please remember to take your child's artwork home from their cubbies and check to see if they need more diapers and/or diaper cream. Thank you, Miss Shauna

**Toddler - The Changing Seasons** This month we will learn about the changing seasons! We will listen to "After It Rains" and "One Seed" by Laurie Berkner. We are going to give our classroom library a spring refresh with books aimed towards the children's interests. We will use soap, bubbles, and sponges to "spring clean" our classroom! The toddlers love to help out. We will also be strengthening our fine motor skills by cutting and gluing to create artwork! We are excited to get outside more often and enjoy the spring weather, please make sure your children a change of clothes and shoes. Thank you, Miss Mariah & Isa

**Toddler/Pre - Regulating Our Emotions** In March we will be learning about emotional regulation. We are going to do finger plays about our feelings and read stories about how to express them. We are also going to paint with sponges and marbles, as well as making our own playdough and slime. Please bring in or send a family photo via Brightwheel for our classroom family tree! Thank you, Mr. Josh & Miss Yani

**Pre1 - Connecting with Nature** This month's curriculum will be all about connecting with nature. We will be focusing on the return of spring! We will be doing children's yoga along with our daily "good morning" song and our affirmation song. We will be reading *Curious George* and focusing on emotional regulation and overcoming challenges. We are excited to explore the walking trails and utilize our outdoor classroom! Thank you, Miss Gia & Miss Bella

**Pre2 - Out of Space** Our theme for March is space! The children will be introduced to planets, the sun, stars, and the moon! We will learn about astronauts, the galaxy, and orbit. We will listen to "The Solar System Song" by Kids TV123. We are going to make our own solar system all together as a group! Our special stories will be *Pete the Cat and the Space Chase* by Eric Litwin and *There Was an Old Lady Who Swallowed the Moon* by Pam Adams. When we go outside, we will be looking up in the sky and talking about what we see! Thank you, Miss Edylay

**PreK - Construction** This month our class will focus on different tools and equipment used in construction and construction zones. We will use construction vehicles to paint on shaving cream and coffee grounds. We will recreate construction zones with rocks and construction vehicles on trays. For our social-emotional learning we will read *When Sophie Gets Angry--Really Angry* by Molly Bang. Thank you, Miss Irena & Miss Michelle
