Dear Parents and Guardians,

Spring is here, and we are excited to reopen part of our newly renovated natural playground! The new renovations will help decrease an overabundance of mud and puddles during the rainy seasons by planting a mixture of grass and clover in a grid system. This grid system along with the new grass/clover mixture will also be more durable. The updated playground also has a new bike path as well as the splash pad, slides, and other structures the children enjoy utilizing. Construction on the other half of the playground will be starting this season.

Also, if your child will not be attending BCLC for any reason, please call the front desk at 978-927-1269 prior to 10am to notify us.

Thank you,

Aimee Provencher
School Age Program Director

BCLC NEWS School Age Edition

Kids to College Day

On Wednesday April 23rd, our older School Age groups will attend our annual Kids to College Day field trip at Gordon College. The children will explore the campus, dine in the dining hall, and experience some of the many exciting classes that colleges have to offer. The students will end the day in the gymnasium playing sports activities with members of the Gordon College Athletic Department as well as their student athletes. This field trip is a great way to get children excited about their academic career in a fun and interactive way.
