**A note from our Early Childhood Education Director**

Hello and Happy June everyone! I can't believe that It's been just about a month since I've started here at BCLC! I hope that I've had a chance to say hello to all of you. I have had a wonderful time meeting all the children, the staff and spending time in the classrooms. And I might even know everyone's name by now...maybe!

As we move toward summer, we are getting the garden beds ready, and planting has already started. Miss Alex is working hard on a field trip schedule for the summer so be on the look out for those fun events!

I'm so happy to be here at BCLC and please feel free to stop by and say hi or contact me with any questions you may have.

Miss Cindy

**Featured staff of the month is Miss Tammy**

Our featured staff of the month is Tammy Darling. Tammy plays a vital role behind the scenes for both the rest of our staff and our families. As the program's bookkeeper, Tammy ensures that all of the payroll needs of our team are met, as well as being a helpful resource to each of our families as they navigate questions about tuition billing. Tammy will be celebrating six years as part of our BCLC team this July!

- BCLC is a nature-based learning center and will utilize our natural playground each day in all types of weather. As the weather gets warmer, it is time to switch our snow gear for summer supplies! Please make sure that your child is wearing closed-toed shoes and comfortable outdoor clothes (please label) in case they get wet or dirty. Please make sure your kids have a change of weather-appropriate clothes and have the following items to keep at school for the summer: bathing suit, towel, and water shoes. Please check your child's cubby weekly for artwork, notices, and dirty clothes!
- Please call the front desk (978) 927-1269 prior to 9am for both early education) and school age if your child will not be attending BCLC. This avoids confusion at pickup and gives us an accurate number of children for mealtimes.
