Hello FCC Families,  
Happy Spring!

As we move into this season, please remember that the weather can be unpredictable and change quickly. Be sure to dress your child appropriately each day, as the children will be spending more time outdoors.

We also ask that you stay in communication with your provider regarding upcoming closure dates and professional development (PD) days. In addition, please keep your provider informed of any planned absences, especially as travel tends to increase during the warmer months.

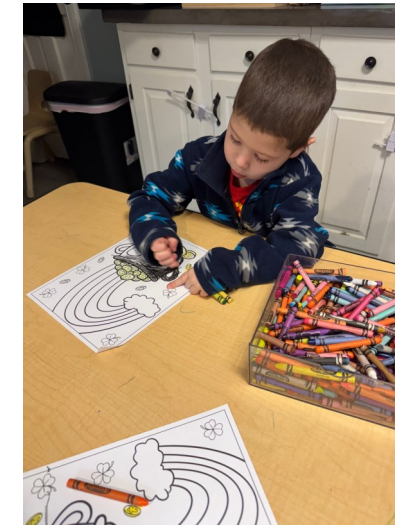

Wishing you all a wonderful spring!
