The BCLC Educators and Staff are dedicated to the safety and wellbeing of all the children in our program. Please take a moment to get to know who we are and what we do here at BCLC. We would be happy to meet with you at any time.

Dear Parents and Guardians,

The end of the school year will be here before we know it, and we are excited to have another fun summer at BCLC! With summer planning underway, we are asking all School Age families to let us know if there will be any changes in your child's schedule or enrollment. Please read the letter sent out through Brightwheel regarding summer programming and communicate any changes to the School Age admin team. Our School Age program is a year-round program, and we assume that your child is attending throughout the summer unless we are notified otherwise. As a reminder, we do require a 2 week withdrawal notice.

Also, please call the front desk if your child will not be attending BCLC prior to 9am. This will avoid any confusion during dismissal time.

Thank you,

Aimee Provencher
School Age Program Director

Music with Mr. Louis

The School Age kids were treated to a music lesson from Mr. Louis. Mr. Louis is currently one of our toddler teachers in the Early Education Program and was happy to share his love of music with School Age. Louis has an extensive background in music, both formally and informally. He studied music theory at Hampshire College in Amherst, took music classes at Berkely College of Music in Boston, sang in choirs, played in jazz and rock bands, taught music lessons to children, helped facilitate concerts for children, and so much more. Thank you, Mr Louis, for sharing your passion and knowledge with us!
