Dear BCLC Families,

The school year is quickly coming to an end, and summer planning is underway! The children will be attending field trips and educational excursions while also enjoying our splash pad and natural playground. Your child will need a pair of water shoes, bathing suit, towel, and change of clothes at the center each day to participate in our summer fun! Please do not send your child in with open-toed shoes. Your child will not be able to attend the program until appropriate footwear is provided. Field trip permission packets will be sent through our One Call alert system and Brightwheel 30 days in advance. You must have all permission slips signed and sent back as soon as possible. Children will not be able to attend the field trip without permission slips. Parents will not be allowed to sign permissions on the day of a field trip as we need the forms on record prior to this day. Please reach out to me or Kyle if you have any questions.

Thank you,

Aimee Provencher
