Dear BCLC Families,

We are excited for another fun-filled summer! Permission slip packets for this summer's field trips can be found at the front desk. Please sign and return the packet as soon as possible to ensure your child attends our fun and engaging trips. As a reminder, morning drop off is between 7:00am—9:00am, and breakfast is put away at 8:45am. If your child will be late due to a doctor's appointment, please call the front desk to inform us of your late arrival. If your child will not be attending for any reason, please call the front desk to inform us. Our summer hours (7am—5pm) are in place through August 31st. The School Age Program will resume closing at 6pm on September 2nd.

We will be encouraging children to continue reading throughout the summer with our annual "Literacy Race to Pie Staff in the Face." The top readers of each group will get the opportunity to smash a whipped cream pie in the face of a staff member of their choosing. Let the fun begin!

Sincerely,
Aimee Provencher

Cooking Club's Pizzeria

Mama Mia, it's the BCLC Pizzeria! Groups 1 and 2 made pizza dough from scratch during Cooking Club, and the young school age children were elated that the older children made enough dough for all groups to join in on the pizza fun. The children rolled out the dough, grated the cheese, and assembled their pizza. The group leaders helped bake their delicious creation, and everyone was able to enjoy the fruits (or should I say pizza) of their labor.

The Garden is Growing

Gardening season is back, and the kids are as excited as ever. The children did a fantastic job weeding and clearing out the old garden beds as well as adding new nutrient-rich dirt to the garden. After the gardens were prepped, the kids helped transplant the seedlings into their new homes and gave the beds a good watering. Either at drop-off or dismissal, we encourage parents and guardians to come and admire the children's hard work in our garden space.

Tissue Paper Flowers

The young school age children enjoyed an art activity facilitated by Miss Carolyn inspired by their nature walk. Using different colored tissue paper and glue, the children created flower petals modeled after the ones they saw outside. The students then took paint to create stems and leaves, bringing their paper gardens to life.
