I can't believe it's already that time of year! The beautiful fall colors will soon be here, and the weather will slowly begin to get cooler. With the change in seasons, please remember to switch out your child's summer clothes for weather-appropriate, warmer clothing. It's always a good idea to keep an extra change of clothes at your provider's home in case your child needs them. As Halloween approaches, please be sure to check with your provider before sending in any Halloween treats or snacks. This is especially important to ensure we are aware of any food allergies or dietary restrictions among the children in the home. As always, please also check in with your provider about any upcoming closures, schedule changes, or days off they may have. I hope everyone enjoys the beautiful fall weather, and I wish all of our families a safe, happy, and fun Halloween!

Thank you!
